

25 YEAR RE-REVIEW

SECRET

Journal

Office of Legislative Counsel

Friday - 22 March 1957

* * *

1. Senator Kuchel came down for lunch with the Director. Others present were: General Cabell, Messrs. White, Kirkpatrick, Helms and Paul. The Director discussed the world situation with the Senator, with particular reference to the Middle East. The Director also assured the Senator that this Agency was not as secretive in its dealings with Congress as we were often reported to be. The Senator was very pleased and grateful for the opportunity of having lunch with us.
